"I can't be with Yuyu anymore."
Since I told her that,
without changing, Yuyu stays alone in the class

Yuyu
Without avoiding her, naturally...!
Ohayou
...Ohayou

everyone is gossipping Yuyu less
Com-paring from before,
Let's stap already, that tapic...
I'm fed up with it
Ne
Kuriyama-san, she greeted Yuyu-chan normally, didn't she?
How come?
Ah,
ng
...But recently,
Hayo~

Kuri-yamaa,
today's math assignment...
in exchange of my distance to Yuyu is returned to as before,
my distance to Shioka-kun becomes un-understandable
What
You're picking a fight with me?
I'm not

*Summer Festival

Nana-chan has clearly told Yuyu already, so
Yuyu won't do anything anymore

Yuyu doesn't know you'll believe Yuyu or not, but...

...Are you looking for Nana-chan?

QA

She was going to the roof-top
Yuyu's sure...
...Are, isn't Nana-chan here?
I don't know
Eh!

ハマってるもの

前回、柱で質問募集したところお手紙でいくつかいただいたのでお答えします。

Q最近ハマってることは？

俳優さんの高橋一生さんにハマってます！最近だと「僕のヤバイ妻」というドラマにでてたのですが、そこはかとなくかわいくてほっとけない感がただよってるんです！あと演技がすごくうまくて、頼りないんも腹黒な人もそれぞれ魅力的に演じてくだされるんです～。

一度好きになると、ドラマ内で「ばかやろう！」と叫ぶ役にも私も怒られたい…と思ってしまいますね。（怪しい）

?
If there's anything, she would tell you, right?
T-that's right....!
I'll ask her myself!
That's not what I mean
Kuriyama has told Kojima this, after all
that "Konno is the most important for her"
Is that so...
キャ

Arigatou
It's taken so well ♡
...Waah

They're going to hold it in the front of station, they said!

Nana-chan, want us to go together!?

even though Yuyu knows this year she will be alone, Yuyu can't help herself but stil wanted to come ...

...Uwa!
There's a very cute girl here!
りんご
You guys, where the heck did you...
Eh... What is this!?
From which middle school you are from?
Sorry for interrupting~

Shioka-kun!?
Eh
Same middle school
You know them!?
Then, if you're his friends, let's walk around together!
Nice idea!
We're from Midorigaoka Boys Middle ☆
I'm dragged along
They're from the same elementary with me and...
So Shioka-kun also has friends even if they're from another school

More-over...
In the end,
it became all of us going around together...
You guys, don't...
Eh!

My heart is noisy
...Shioka-kun is
amazing, right
He can read the atmosphere,
even though he seems cold,
but he's actually kind
He's so cool, right...

...Eh?
